BEGO Guide

Quick and easy fully guided surgery

Partners in Progress

GUIDED SURGERY – QUICK AND EASY

BEGO Guide surgical guides are the optimal supplement to the BEGO Semados® implant system.

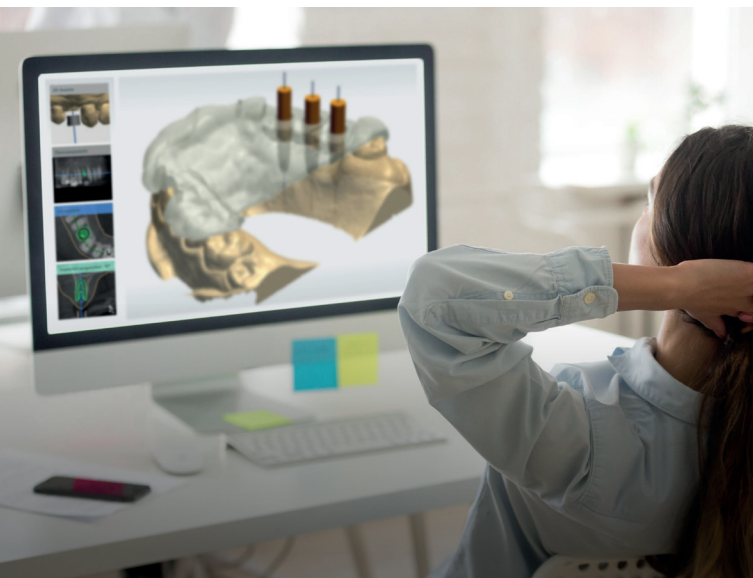

Maximum flexibility – low costs

- Pilot drill hole or fully guided
- Tooth or mucosa supported
- Optional transgingival, minimally invasive surgery possible
- Including digital wax-up on request*
- Upon request, design and fabrication of a temporary restoration based on the implant planning.*

No need to have your own planning software

Order your proposed plans in the BEGO Guide order portal – we'll do the planning for you!

* optional scan and design service (additional charge)

YOUR BENEFITS AT A GLANCE

Planning for implant systems from all manufacturers

Planning services for BEGO Semados® implants and implant systems from other manufacturers.

Pilot guides

- For the pilot drill hole
- Compatible with every implant system
- Sleeves with 2 mm diameter

Fully guided surgery

- For fully guided insertion of BEGO Semados® S/SC/SCX/RS/RSX implants
- Fitted with BEGO Guide master sleeves
- Guided drilling of all drilling steps
- Defined depth stop

Priceless.

BEGO Security Plus for even greater security

5 year warranty for restorations with BEGO Semados® implants and their prosthetic components

- Can be selected in the ordering process in the BEGO Guide order portal

Please note:
On request and only within the EU.
More information available from your authorized dealer.

PRICELESS.

PROCEDURE

Three steps to a BEGO Guide surgical guide:

1

Register in the BEGO Guide order portal

Register at guide.bego.com and you will receive your personal access data.

2

Create a patient case and upload the CT/CBCT data

- Create the case and provide details of the individual planning requirements
- Upload the CT/CBCT data to the portal or send in a data CD
- Ship the model using the collection service
- Your individual proposed plan is prepared

3

Expert review and sign-off of the plan

- Proposed plan is ready for viewing and expert review
- Online session possible for required changes
- Plan is signed off in the portal
- Guides are produced in Bremen
- Surgical guides are shipped in just a few days
